PROJECTS

Pairwise mentoring platform

A project-driven mentoring platform for experienced devs and learners to collaborate and grow. Powered by Ruby on Rails 5.0 and PostgreSQL.

Smart To-Do List app

Worked in a team of three to build this SPA that auto-categorizes your media, location, or product query using Google Custom Search API metadata. Stack included Node.js, Express.js, AJAX, Knex.js, and PostgreSQL.

Rails e-Commerce Site

With three days' experience in Ruby, enhanced an online storefront (Rails 4.2) to include features like user registration & authentication, product ratings/reviews, detailed order summaries, and automated emails.

Greater Toronto Multiple Alarm Association

Independently developed and deployed site for Wordpress platform. Integrated live XML data from the City of Toronto and leveraged APIs from Flickr, Google Maps and Broadcastify.com.

EMPLOYMENT

Flight Safety Manager, Corporate Safety, Env. & Quality, *Air Canada* Jul 2012 - May 2017

- Provided expert feedback to pilots regarding Air Safety Reports and matters of fatigue, hazards & OSH
- Managed complex studies and supported requests for safety data from a range of clients including Branch Managers, Business Intelligence and Executive Management.
- Generated presentations highlighting safety statistics, hazards, trends, and top concerns.

Safety Specialist, Flight Operations, *Air Canada*

Aug 2011 - Jun 2012

- Received, coordinated, and addressed safety issues reported by flight crews.
- Identified and investigated latent risks & monitored effectiveness of corrective actions.
- Maintained the Air Safety Report database and ensured files were properly completed.

Flight Safety Analyst, Flight Operations, *Air Canada*

Mar 2010 - Aug 2011

- In this role I was the in-house expert on safety reporting tools and data trending for Flight Ops
- Developed safety metrics & benchmarked AC against peer carriers to enhance safety picture
- Authored statistical and technical info for a variety of internal and external stakeholders

Owner / Photographer, *Duke Aerial Photography*

Jun 2006 - Dec 2011

Performed oblique aerial photography for clients across Southern Ontario and Quebec. Oversaw all aspects of business launch and operation. Captured imagery from a variety of fixed-wing and rotary aircraft.

VOLUNTEERING

Greater Toronto Multiple Alarm Association - gtmaa.com

Current

Provide rehab services for Toronto Fire Services at emergency scenes and fire department functions. Served as website admin and social media officer from May 2011 to present.
